## **DAILY PRAYERS**

### **PERIOD 2—THE ACT OF FAITH**

O my God, I firmly believe that you are one God in three divine Persons, Father, Son, and Holy Spirit. I believe that your divine Son became man and died for our sins and that he will come to judge the living and the dead. I believe these and all the truths, which the Holy Catholic Church teaches because you have revealed them who are eternal truth and wisdom, who can neither deceive nor be deceived. In this faith I intend to live and die. Amen.

### **PERIOD 3—THE ACT OF HOPE**

O Lord God, I hope by your grace for the pardon of all my sins and after life here to gain eternal happiness because you have promised it who are infinitely powerful, faithful, kind, and merciful. In this hope I intend to live and die. Amen.

### **PERIOD 4—THE ACT OF LOVE**

O Lord God, I love you above all things and I love my neighbor for your sake because you are the highest, infinite and perfect good, worthy of all my love. In this love I intend to live and die. Amen.

### **PERIOD 6—THE ACT OF CONTRITION**

O my God, I am heartily sorry for having offended Thee, and I detest all my sins because of thy just punishments, but most of all because they offend Thee, my God, who art all good and deserving of all my love. I firmly resolve with the help of Thy grace to sin no more and to avoid the near occasion of sin. Amen.

### **PERIOD 7—THE MEMORARE**

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thy intercession, was left unaided. Inspired by this confidence I fly unto thee, O Virgin of virgins, my Mother. To thee do I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me. Amen.

### **PERIOD 8—THE HAIL, HOLY QUEEN**

Hail, Holy Queen, Mother of Mercy, our life, our sweetness, and our hope. To you do we cry, poor banished children of Eve. To you do we send up our sighs, mourning and weeping in this valley of tears. Turn then, most gracious advocate, your eyes of mercy toward us, and after this our exile show unto us the blessed fruit of thy womb Jesus. O clement, O loving, O sweet Virgin Mary.

V. Pray for us, O holy Mother of God;

R. That we may be made worthy of the promises of Christ. Amen.

## **STATEMENT OF PHILOSOPHY**

### **BECKMAN CATHOLIC MISSION STATEMENT**

Beckman Catholic cultivates the full potential through the pursuit of academic, spiritual, and personal excellence. In union with our families, the Church, and the greater community, we strive to lead and serve as disciples of Jesus Christ in this world and to live as saints for eternity.

### **BECKMAN CATHOLIC VISION STATEMENT**

To form disciples of Jesus Christ in faith and reason for success in this life and eternity.

### **SPIRIT OF BECKMAN CATHOLIC HIGH SCHOOL**

The unmatched Spirit of Beckman Catholic is difficult to define. It is found in the living and growing together that each member of the community experiences as part of his/her time at Beckman. The Spirit of Beckman shows itself in courtesy and respect shown to all persons, at all times, and under all circumstances. Pride in self and others motivates loyalty to the participation in the many activities of school life. Students at Beckman Catholic will be challenged academically, socially, and spiritually and Beckman Catholic will provide the resources to be successful in all those areas.

### **BECKMAN CATHOLIC CITIZENSHIP**

The knowledge of the rules and regulations, their processes and their implementation are the responsibility and obligations of each Beckman student. Ignorance--lack of knowledge or understanding of the rules and regulations-- will not be cause of releasing a student from responsibility to know and understand the stated policies. The following discipline regulations are considered a binding contract between the students and staff by virtue of choosing Beckman. If there is any question about school policy, it will be answered by one of the administrators.

Because our schools are supported generously by our cooperate parishes preference is given to students of Catholic faith that are members of these parishes. (St. Francis Xavier-Dyersville, St. Joseph-Earlville, St. Boniface-New Vienna, St. Peter and Paul-Petersburg, and St. Paul-Worthington)

Admission Priorities: The following policies provide guidance on enrollment decisions in the case of limited enrollment or waitlist situations at certain grade levels. Priority enrollment is given to:

1. Children of Beckman Catholic employees, currently-enrolled students and siblings of current students whose families are in good standing.
2. Children from families who are registered, contributing members of Beckman Catholic's cooperate parishes.

3. Children from families who registered members in good standing at other Catholic parishes.
4. Children from families of other faiths. Date of family registrations will determine enrollment priority in the event of high demand for placement in a specific grade level.

### **EQUAL OPPORTUNITY**

The educational system of the Archdiocese of Dubuque/Beckman Catholic High School is an equal opportunity educational institution. It does not discriminate on the basis of race, color, national ethnic origin or sex in the educational programs or activities.

## **CATHOLIC DIMENSION**

### **RELIGIOUS EXPERIENCE**

Proclaiming the message of Jesus Christ is the reason behind the existence of Beckman Catholic High School. It is both an obligation and a privilege for Beckman, a Catholic school to provide its students with knowledge and experience in the Catholic Christian faith. Beckman offers quality programs in both theology and campus ministry.

### **RELIGIOUS EDUCATION**

All students are required to take Theology classes. Beckman has a strong Theology program. The Theology department is current and in line with the sequence and faith themes suggested at diocesan and national levels. A brief outline of the Theology courses offered follows:

#### **7th GRADE**

#### **12th GRADE**

### **CAMPUS MINISTRY PROGRAM**

Translating our students' academic learning into an experience of faith is a tremendous challenge. Every student who attends Beckman will in some way be affected by religious experiences they will encounter. Faith experiences are available to Beckman students through the Campus Ministry Program. Its primary purpose is to enable faculty, staff and students to grow as members of the Church.

**WORSHIP:** Faculty and students lead prayer each day over the public address system; Weekly all-school Mass; Eucharistic Adoration on Tuesdays; Advent & Lenten Reconciliation.

**RETREAT:** Students and faculty plan a retreat day for grades 7-10 each year; Attendance at NCYC (National Catholic Youth Conference); Renewal opportunities for faculty each year; Kairos for juniors.

**SERVICE/JUSTICE:** As Beckman Catholic works with parents and parishes to form students into disciples, a service requirement is a key component of their overall formation. Students learn to serve in imitation of our Lord Jesus who "did not come to be served, but to serve" (Mt 20:28). Many service opportunities are available to students.

## **ACADEMIC PROGRAM**

### **ACADEMIC AWARDS**

Academic letters are given after the first semester of each year with the following criteria:

Class	Cumulative Weighted GPA
9	4.0
10	3.85
11	3.7
12	3.5

Awards and scholarships are also given to seniors at an Awards Assembly in May. These honors consist of department awards as well as scholarships and commendations given from outside agencies and institutions.

### **CALENDAR**

School begins on August 23 and closes on May 21. The school year may be extended due to make-up days caused by inclement weather or public health emergencies. The Board of Education reserves the right to change the calendar if needed.

### **CAREER PLANNING**

Prior to the 9th grade year, each student will work out a course plan for high school and a career plan and file these plans on the career planning information system. While there may be changes in individual plans and in the courses being offered by the school, the planning will enable the student to evaluate his/her own talents, goals, attitudes and choices to be followed after graduation. This Career Plan will be revisited each year.

### **CHEATING**

Students who are observed cheating on an exam or assignment may receive no credit for the work. Students who have possession of any stolen tests or materials, or misuse electronic devices/methods on an exam or assignment may receive no credit for that exam/assignment. Stealing exams or other teacher materials may result in suspension. Plagiarism and/or using artificial intelligence (AI) is considered cheating. Students providing means for other students to copy work to cheat may face disciplinary consequences.

### **COLLEGE CREDIT OPTIONS**

**Courses available to Beckman students for college credit:**

Macroeconomics	Public Speaking	AP Calculus
Intro to Psychology	Intro to Engineering	Welding/Blueprint Reading

Composition I*	Engineering Graphics and Design	Animal Science
Composition II	Diesel Transmission	Crop Science
Religions of the World	Intro to Soc	Theology 12
Automotive Transmissions	ACDC Fundamentals	Diesel Brakes
* All college credit courses require a student to meet the Measure of College Readiness indicators		

Students can earn college credit in five ways:

**Concurrent enrollment:** These courses are offered and taught on our campus; the Beckman instructor meets NICC's quality staff requirements or NICC provides an instructor. The course credit and grade go onto the student's high school transcript and the student's permanent college transcript as NICC credits. Students incur a cost of \$250 for MMU course and NICC classes on site are currently at no cost. The transferability of these courses compares to a course taken at a college

**Advanced Placement (AP) Courses:** These courses are offered and taught by a Beckman teacher who meets Beckman quality staff requirements. The student can opt to take an AP exam. The score earned and the student's college choice determine credit earned. The transferability of these courses varies by college but the advanced placement program is nationally recognized. Students incur the cost of the exam.

**Articulated Courses:** Students earn college credit in NICC career and technical programs. Although no college credit is earned while in high school, the credit is entered on an NICC transcript after the student has successfully completed 12 NICC credits post high school. Articulated courses do not contribute to the student's NICC grade point average, but do satisfy specific career program requirements. Students must earn a C- or better in the course, articulate credit within one year of graduation from Beckman, and complete the required paperwork. Students incur no cost for this credit.

**Postsecondary Enrollment:** Through this legislated option, students in grades 11 and 12 and identified talented and gifted students in grades 9 and 10 are eligible to take college courses. Students may not enroll in courses that are comparable to district high school offerings; Western Dubuque District must approve the courses. Students must notify their counselor of their intent to enroll in a post-secondary enrollment course prior to the start of the term in which the course will be taken. Students pay for failed or dropped courses.

**Placement in College Credit (PICC):** The PICC program allows high school students to enroll part-time in college credit courses at NICC prior to high school graduation. Students earn both high school

and college credit for successfully completing college-level coursework. These post-secondary credits are transferable to other colleges and universities depending on the degree requirements at that institution. High school students must meet the requirements and guidelines for the NICC class for which they are registering including a qualifying ACT®, ALEKs Math or ACCUPLACER® placement score. Students must also meet the academic requirements of the school district along with minimum proficiency cut scores in reading, math and science based on their Iowa Assessments. Students must remain in the building for PICC courses.

Students will receive a discounted tuition rate from NICC for enrollment into PICC. Students' families will be responsible for the cost of the tuition, course materials, and textbooks for the course.

**Students are encouraged to research their postsecondary course of study to determine how credits will transfer.**

Grades earned in concurrent enrollment, PICC, and PSEO classes will be included on the high school transcript and will be calculated in the high school grade point average. In most cases, these grades also become part of a student's college transcript and GPA. Permission must be given in advance by Beckman Catholic to enroll in any dual credit option including over the summer.

### **Early Graduation**

Beckman Catholic students have the opportunity to graduate after seven semesters of attendance. In order to graduate early the following process is followed:

- All graduation requirements must be met by the seventh semester. A student who is approved to graduate early is exempted from the spring semester of senior Theology. Students looking to graduate early should meet with the school counselor at the beginning of senior year to ensure all requirements will be met on time.
- A letter requesting approval for early graduation needs to be submitted to the Board of Education by October 31<sup>st</sup>. Requests will be reviewed and approved at the November board meeting.
- Families approved for early graduation will receive written notification following the board meeting.
- Seniors and families opting to exercise the early graduation option will be assessed and required to pay a full year's tuition.

### **FIELD TRIPS**

Field trips serve the instructional program by utilizing those resources of the community which cannot be brought into the classroom to enrich classroom learning. Teachers planning such field trips will obtain written permission from parent/guardians for their children to participate, use the Diocesan Field Trips forms, and follow the Planning a Field Trip Checklist. Academic, attendance or behavior concerns may prohibit student participation in field trips.

### **GRADING REPORTS**

1. Mid-quarter deficiencies for students are sent to parents whose student has a grade of C- or below.
2. Report cards are issued at the quarter and at the semester and available via PowerSchool.
3. Semester report cards are available upon request.
4. Semester grades are recorded on the student's permanent record.

### **GRADING SYSTEM: GRADE POINT AVERAGE**

Beckman uses letter grades, which signify a range of grades, not an absolute number. The purpose of the grade is to measure the student's individual achievement, not how he/she is doing in relationship to other students.

The **numerical values of grades** are as follows for all classes:

A = 4.00	C = 2.00
A- = 3.67	C- = 1.67
B+ = 3.33	D+ = 1.33
B = 3.00	D = 1.00
B- = 2.67	D- = .67
C+ = 2.33	F = .00

**Grade Point Average:** The above **numerical values of grades** are used to generate a **grade point average** using the number of credits earned for each course times the numerical grade value divided by the total number of credits earned. GPA serves to quantify individual academic performance.

**Semester Grade Point Average:** A semester GPA considers only the courses and grades in a given semester.

**Cumulative Grade Point Average:** A cumulative GPA considers all courses taken and those grades.

**Non-weighted Grade Point Average:** A non-weighted GPA is calculated based on a 4.0 scale and is reported on the transcript. The non-weighted GPA is used to calculate the weighted GPA.

**Weighted Grade Point Average:** The weighted GPA is calculated using the following formula:  
Non-weighted GPA + value points earned from taking honors courses (.02 points per honors

semester taken). The weighted cumulative GPA is reported on the transcript and is used to determine: Beckman semester honor roll, academic letter, NHS eligibility, and graduation honor cord.

Beckman Catholic does not report rank on the high school transcript and report cards. Many universities and colleges will base their admission decision on a holistic evaluation of student qualifications. The evaluation includes analysis of student transcripts to determine class rigor and review of student extra-curricular and leadership experiences. Under exceedingly, rare circumstances, the Beckman Guidance Office can calculate class rank and provide it directly to a college, university, or financial aid organization when those institutions require such information for application purposes.

Beckman will use the weighted GPA to determine graduation honors. Beckman no longer identifies a valedictorian or salutatorian and instead uses a tiered honors system.

**The following note appears on the transcript:** Beckman Catholic High School employs a weighted GPA to encourage students to take a rigorous course load, including honors and advanced placement courses, and elective courses. The cumulative weighted GPA is calculated using the following formula: non-weighted cumulative GPA + (.02) (number of semesters of weighted courses).

### **GRADUATION REQUIREMENTS**

Students are required to fill seven periods in an eight-period day. Students may take PICC courses, but have to remain in the building when taking their courses. Students must accumulate 230 credit hours for graduation. College-bound students are strongly encouraged to earn at least 260 credits. Graduation requirements are as follows:

#### **All Classes**

Theology	40	English	40
Math	30	Phys Ed	20
Science	30	Electives	<u>40</u>
Social Studies	30		230

#### **Additional Notes:**

1. All students must take and pass theology classes each semester they are in attendance at Beckman. If a student has not been in attendance at a Catholic school all four years, the 40 theology credit total may be waived. Non-Catholic students are required to take and pass 17.5/35 hours of Theology. Non-Catholics may opt out of second semester 12<sup>th</sup> grade year. 230 total credits are still required.
2. According to state law, students must take and pass physical education every year if they are in attendance unless granted a medical or academic waiver.
3. Students who do not attend any classes during the 8<sup>th</sup> semester are exempt from the Physical Education and theology requirements. 230 total credits are still required.
4. According to state law, all students must take and pass one semester of American Government and one year of American History.
5. State law stipulates that all students must take and pass 4 years of English and 3 years of math, science, and social studies.
6. State law requires all graduates to pass a semester of financial literacy.
7. Students must complete service requirements as outlined below:

### **BECKMAN CATHOLIC SERVICE REQUIREMENT**

The guidelines for completing the requirement are as follows:

1. High school students will complete and submit 12 hours, including at least 2 hours for both parish and school (maximum of 4 hours in the summer preceding the school year qualify). Community hours may be submitted but are not required as part of the total.
2. Junior high students will complete and submit 6 hours, including at least 1 hour for both parish and school (maximum of 2 hours in the summer preceding the school year qualify). Community hours may be submitted but are not required as part of the total.
3. Service must not be: compensated, for a relative, or a requirement as a member of a team, club, or other organization.
4. Hours completed during obligatory Masses do not qualify (e.g. server, lector, usher); however, non-obligatory time qualifies (e.g. music preparation or taking Holy Communion to the homebound).
5. Working events required by a team or other group the student is involved in will not count (e.g. a wrestler who works the Beckman wrestling tournament will not be able to count those hours).
6. Service hours must be recorded on the online form available on the BCHS webpage at the top of the Theology Department page. BCHS Homepage> School Information > Departments Page > Theology – Click the link near the top of the page.
7. **A student's Theology grade will be considered "Incomplete" until the service requirement is fulfilled. An incomplete grade results in extracurricular ineligibility according to State rules.**
8. Any questions about service should be directed to the student's theology teacher. An assigned staff member will check progress of the hours with conversations taking place periodically throughout the year.

Confirmation preparation includes service components separate and in addition to these requirements. **Consult your local parish regarding expectations for Confirmation.**

### **GRADUATION CEREMONY-PARTICIPATION**

Students who fail to earn 220 semester hours may not participate in the graduation ceremony. Students who have earned a minimum of 220 semester hours but less than the required 230 semester hours may participate in graduation activities if they submit, in writing, an academic plan to complete all requirements necessary for reception of diploma from Beckman Catholic High School. The diploma will be withheld until the required 230 credits have been obtained.

At the end of seven semesters, students with a 3.50 weighted GPA or higher will be awarded an honors medallion for graduation. Students selected to NHS will also be awarded an honor

cord for graduation.

### **HOMEWORK**

Homework is encouraged in order to teach students the importance of practice, review, and application. Parents/guardians are encouraged to support the process.

### **HONOR ROLL**

At the end of the semester an honor roll will be determined using the weighted GPA and according to the following levels:

All Classes	Semester GPA
Honors	3.25-3.74
High Honors	3.75-4.0+

### **HONORS PROGRAM**

The purpose of an honors program is to challenge self-directed, self-motivated students who have demonstrated superior achievement to excel in specific disciplines above and beyond the average classroom. Honors level courses differ from regular courses in that content is covered in greater depth and students are challenged to question, recognize divergent views, develop creative thinking and expression, and use critical thinking skills.

#### **Guidelines:**

1. All honors courses will have prerequisites and placement requirements.
2. Each semester of honors course work will earn an added value of .02 to a student's cumulative GPA.
3. Honors courses will be offered in the core areas of math, science and English and several senior course electives in an effort to encourage students to take electives as well as honors coursework.
4. No student who has met course prerequisites will be denied entrance to an honors course; however, any student who earns a semester grade of a C or below in an honors course will be subject to review and possible removal from the honors course, in an effort to best serve the needs of the student involved.

#### **Placement Criteria:**

Students will be placed in honors courses based on the following criteria:

1. At least two or more years of standardized test data

### **CODE OF CONDUCT**

The primary task of Beckman Catholic Junior-Senior High School is to form its students in the Catholic faith. Therefore, disciplinary policies and procedures followed by Beckman Junior-Senior High School should be based upon and conform to Catholic teaching. In learning these policies and procedures and then living them day-to-day, Beckman students will come to see and judge their actions and the consequences for their actions as Catholics.

### **CODE OF CONDUCT FOR STUDENTS**

This Code of Conduct represents the teachings of the Church with regard to day-to-day behaviors; it therefore represents what will be required of Beckman students throughout their time at Beckman. The Code of Conduct applies at school, school-sponsored or non-school-sponsored activities, or on/off campus during the school year summer months.

### **Scope of Disciplinary Policy**

The Disciplinary Policy applies to the property of Beckman Catholic High School; the daily conduct of education in Beckman Catholic High School or on its property; to any and all Beckman sponsored events, wherever those events might be; to any student officially representing Beckman Catholic High School wherever that student might be in that capacity.

The Church has always and consistently taught that the primary educators of children are the children's parents. Beckman Catholic High School assists parents in this role but does not put itself in a position to discipline off school property or away from school sponsored and sanctioned events or activities. The parents of Beckman students are required to read the Code of Conduct carefully and support it. In serious criminal cases, or cases that affect the reputation of Beckman Catholic High School, Beckman reserves the right to discipline under the Good Conduct policy even though it may not have occurred on Beckman property or at a Beckman event or activity.

### **ATTENDANCE**

*STUDENTS ARE TO ATTEND ALL SCHEDULED CLASSES AND ACTIVITIES PROMPTLY AND REGULARLY.*

**Call-in:** When a student is unable to attend school, a parent is to call the school before 9:00 a.m. on the first day of absence to report the reason and the estimated length of the absence.

**IT IS IMPORTANT TO REALIZE THAT THE EXPLANATION IN AND OF ITSELF DOES NOT DETERMINE IF THE ABSENCE/TARDY IS EXCUSED OR UNEXCUSED OR THE CONSEQUENCES. THE ADMINISTRATION DOES.**

**Late or early dismissal:** Anyone coming late or leaving early needs to go through the office.

**Time/Class Make-up:** The student is responsible for making up any work missed during the time of an absence. The student is always allowed to make up the work unless the absences are unexcused. If the absence is unexcused, with the exception of suspensions, the teacher will not be required to allow the student to make up the work.

**Tardy:** A student is tardy at the beginning of any class period if he or she is not in the assigned place at the time the class or activity is scheduled to start. Detention will be assigned each time a student reaches a multiple of three (3) tardies. Examples of excused tardies, while not totally inclusive, would be: Car problems (that AM), dental appointment, fog, ice/snow problems, medical appt., train delays, personal illness, work at home or chores, late bus.

**Permits:** Special permits to be absent from school may be given as follows:

Planned Absence: In the case of a planned absence a written note from a parent is required prior to the absence. This should be done three days in advance of the absence.

Absence from Mass: Because the weekly Masses are a very important part of the overall curriculum, attendance at Mass is required. Any absence from Mass, unless the student has to leave school for a Beckman activity, is considered unexcused. Doctors, dentist appointments, etc. are not considered a legitimate, excused reason to miss Mass. Any Mass absence that cannot be avoided is to be communicated to the main office at least one week in advance unless an emergency exists.

Early Dismissal: A request for authorization to leave school may be made for the following reasons: personal illness; doctor or dental appointments that cannot be scheduled outside of school time; and family emergencies. **THIS REQUEST MUST BE WRITTEN BY A PARENT OR GUARDIAN, MUST INCLUDE THE SPECIFIC REASON FOR THE REQUEST, THE EXACT TIME OF THE REQUESTED DISMISSAL, AND THE LENGTH OF THE DISMISSAL AND BE PRESENTED AT THE OFFICE BEFORE SCHOOL STARTS.** Early dismissals may be granted only at the office. The Administration reserves the right to determine if the early dismissal is to be excused or if it is to result in a supervised study hall assignment and/or disciplinary action.

**Check-out:** If after starting the class day it becomes necessary to leave for any reason, the student is to check out at the Main Office. Permission to leave will be granted only with appropriate authorization of parent/ guardian.

**Skipping:** Unauthorized absence from class will result in a disciplinary referral plus a detention for each period or portion thereof missed. Unauthorized absence from class will also result in no

extracurricular participation for any events that night. Failure to serve the detention will be treated the same as skipping a class.

**Petition for Credit:** Any student who misses 16 or more classes in a specific course in one semester, for any reason (excluding school sponsored activities) will be placed on Academic Probation. (For classes that meet on the alternate day cycle, eight absences per semester is the limit.) The following criteria will be applied when determining whether credit is to be granted or not:

1. reasons for absence,
2. satisfactory accomplishment of the course outcomes, including but not limited to satisfactory performance on all required tests and assignments;

4. a demonstrably positive attitude.

Parents can monitor student attendance through PowerSchool, which offers them the option of setting up email alerts for attendance.

Book bags are for transporting books and materials to and from school only; they are not allowed outside of the student locker during the school day.

### **CARDS, TOYS, GAMES**

Playing with cards, toys, and games is not allowed during classes unless part of the class activity. Board games and puzzles are allowed during study halls as long as students are not on the low grade report and are not disruptive to others in study hall.

### **DAILY ELIGIBILITY**

All participants must be in attendance at regularly scheduled classes by 5<sup>th</sup> period classes of the school day to be eligible for daily participation in practices or performances. If a person is too ill or is medically unable to attend school, he or she should not participate in activities. Beckman will not knowingly allow students to jeopardize their health or the health of others by participation in any activity before they are medically able to do so.

Appointments should be scheduled during free periods or during practice time—not during academic time or during mass. If not possible, prior authorization may be obtained by the activities director.

### **DISCIPLINE SANCTIONS**

**Detention:** Assignment to detention requires that the student will have a form filled out by the assigning staff member including a student signature or the student has reached a level of conduct points that constitute a detention. Teachers may issue a detention to be served with them when it is warranted. Detentions issued by the administration or by referral will be served on Thursday morning from 7:00am-7:45am. Detention is quiet study time and students are expected to bring study materials to detention. Failure to abide by the detention rules will result in dismissal from

detention and reassignment of an additional detention. Failure to serve detention will result in two detentions and 2 missed detentions will result in a in school suspension.

**Referral:** All referrals will result in two detentions. The second referral will also result in the loss of privileges and parents will be notified.

**Short-term Suspension from School:** Removing a student from school or placing them in in-school suspension may be utilized to deal with student misconduct. The Deans of Students, in consultation with the Principal, have the authority to place a student on probation or to suspend him/her temporarily. Students will have the opportunity to respond to the charges against them. Students may not practice, participate in or be a spectator at any school activities. Students must be allowed to make up any academic work that was missed.

**Extended Suspension:** for the rest of the semester or for a minimum of three weeks may be applied by the Administration according to the gravity of the violation(s). A student who has received an EXTENDED SUSPENSION will be required to make special application for readmission to Beckman for the following semester.

**Expulsion:** Administrative recommendation to expel a student will be the discipline of last resort. The Beckman School Board will review it. The Beckman School Board shall have the authority to affirm, reverse or modify the recommendation of the administration. Archdiocesan policies and guidelines will be followed.

**Appeal:** A request for review of a decision (excepting expulsion) made in the implementation of these policies may be submitted in writing by student or faculty to the Appeal Board. The Appeal Board will be composed of one voting member of the Beckman Catholic High School Board, two parent representatives, one faculty member, and one student representative. The members of the Appeal Board will be selected from the regular membership of the Beckman School Improvement Advisory Committee. The decision of the Appeal Board is final.

- 2) The student lives at least one mile from the school or participates in extracurricular activities that meet before or after school.
- 3) The student and his or her parents/guardians have completed the affidavit for a minor school license.

### **SEARCH AND SEIZURE POLICY**

It is the policy of Beckman Catholic High School to operate its educational institutions in a Catholic, orderly environment. Recognizing that the presence of contraband on school property or on the person of a student attending school is not consistent with providing an orderly environment, Beckman Catholic High School will follow Archdiocesan Policy 5145.2 to conduct student searches.

### **STAFF AUTHORITY**

Teachers may require specific regulations in their classes and activities for legitimate educational purposes. Also, many types of situations arise daily which demand the immediate action of a staff member for the good order of the school. Unless students have serious moral reservations about directions, they are expected to obey all teacher and staff directions promptly and courteously. Requests or directions that cause moral reservations must be reported to the Principal immediately. Other disputes will be settled with the help of the administration after directions have been carried out by the student.

### **STUDENT DRIVING/PARKING REGULATIONS**

1. Students who drive are asked to enter the school parking lot by way of the south entrance and exit from the north exit.
2. Students may not park in visitor or handicapped spots.

### **SUBSTANCE ABUSE/ILLEGAL DRUG POLICY**

**Substance Abuse:** Involvement with alcohol, tobacco/vaping or other illegal drugs is always a serious offense at school, school-sponsored or non-school-sponsored activities--on or off campus--during the school year or in the summer. Students observed in the presence of faculty members, staff, or legal authorities or observed on school surveillance in any of the below described or similar settings will be subject to the restrictions of the Substance Abuse Policy. Examples of settings which would violate the Substance Abuse Policy include but are not limited to: using or being under the influence of illegal substances at school or school-sponsored activities; being present in a car containing alcohol or other drugs where circumstances indicate said alcohol or other drugs are for the illegal use, possession, or consumption by one or more occupants and charges for possession or use are filed or presence is reported by law enforcement; attendance at a party, gathering, or function where alcohol or other drugs are present and circumstances indicate that said alcohol or drugs are for the illegal use, possession or consumption by one or more of the attendees and charges are filed or attendance is reported by law enforcement. These examples are intended to be descriptive only and are not all-inclusive.

(In the case of tobacco use, the “guilty by association” does not apply as it does with alcohol or other drugs. Someone is not considered guilty if they are in a car or at a gathering where tobacco is present.)

(would mirror the language from above if changes are made.*

*(Any student who is found in the “mere presence” and reported by law enforcement or witnessed by a staff member or school surveillance but can show legal verification of blowing .00 may receive a reduction of 50% reduction in the length of time of the activity suspension. ## **SPECIAL NOTES**

1. Violation of the substance abuse policy is cumulative regardless of the category. A student's prior violation(s) will not be carried over as part of the cumulative violation record when a student moves from junior high to high school providing all penalties have been satisfactorily completed.

2. A student who self-reports a violation of this policy to a coach, moderator, teacher, or administrator within 48 hours of the offense and prior to the school being notified by authorities will receive a 50% reduction in the length of time of the activity suspension. This reduction is only valid on a first offense.

3. The suspension from activities will begin on the day that the administration becomes aware of the violation, and will end at midnight on the appropriate calendar day. If the coach/moderator desires, students who are members of any extracurricular group/team are expected to practice and accompany the group/team to all activities but are ineligible to participate or compete in the activity until the ineligibility period is over.

4. Students who self-refer for drug or alcohol treatment to any member of the faculty, staff, or administration will not be subject to the disciplinary code as long as treatment is ongoing and positive with appropriate documentation. (If in the judgment of the administration the self-referral is only to avoid the sanctions of the substance abuse policy, the disciplinary consequences will NOT be waived.)

### **Appeal:**

A request for review of a decision made in the implementation of the substance abuse/illegal drug policy may be submitted in writing to the Appeal Board. The Appeal Board will be composed of one voting member of the Beckman Catholic High School Board, two parent representatives, one faculty member, and one student representative. The members of the Appeal Board will be selected from the regular membership of the Beckman School Improvement Advisory Committee. The decision of the Appeal Board is final.

### **SUPERVISED STUDY HALL**

Students will report to study hall for periods during which they do not have a class. However, juniors and seniors in study halls will be allowed the following privileges:

4. Whenever any school activity takes place.

### **VANDALISM**

Any student tampering with school equipment or deliberately damaging school property in any way is subject to a minimum fine of \$50 in addition to the cost of repair. Damage to any equipment or part of the school should be reported to the administration office as soon as possible so it can be repaired before it becomes the cause of additional problems. Those involved with vandalism may be subject to disciplinary action.

### **WATER BOTTLES**

Students may bring water bottles to school each day. Water fountains are provided in the main hallways.

### **WEAPONS/GUNS**

It shall be the policy of the Beckman Board of Education that weapons and other dangerous objects be taken from students and others who bring them on school premises. Parents of students found in possession of a weapon or dangerous object shall be notified. Confiscation of weapons or dangerous objects will be reported to law enforcement officials and the student will be subject to disciplinary action. Students in possession of a firearm while on school property, coming to and from school or participating in any school-related activity away from school premises shall be expelled for not less than twelve months. An athlete is not allowed to practice or participate with two Beckman athletic teams at the same time unless given permission by the administration and the two head coaches of the sports involved. If permission is granted, the athlete must agree to remain with the sport "in season" until the completion of the season unless the head coach gives written permission to the administration releasing the athlete from further practice.

### **ELIGIBILITY REQUIREMENTS**

**Senior High:** students must earn a passing grade in all classes each semester. Per the Iowa state rule, a student who fails to pass all classes becomes ineligible for activities for 30 calendar days. A student who fails to pass 35 units 1<sup>st</sup> & 3<sup>rd</sup> quarter will be ineligible for a minimum of 10 school days and until the grade is brought up to passing. A student who does not pass 30 units at the 1<sup>st</sup> & 3<sup>rd</sup> mid-quarter of the quarter grading periods, or a student who does not pass 35 units at 2<sup>nd</sup> & 4<sup>th</sup> mid-quarter of the quarter grading is ineligible for a minimum of five school days\* and until the grade is brought up to passing.

**Junior High:** Any junior high student with a failing grade at quarter or mid-quarter will have the following sanctions: Ineligible for athletics, student council, or other activities for a minimum period of five school days\*. Ineligibility at the semester is 10 school days. Students receiving deficiencies must be cleared by the counselor and by the teacher with the dean before participation is allowed.

*\* Academic eligibility is reinstated at 3:00 p.m. on the fifth day or last day of ineligibility.*

Students must follow all the rules and regulations established by the various state activity associations as well as the rules and regulations that may additionally be established by the coach or moderator of a given activity.

### **INSIDE CONDITIONING RULES**

A coach or assistant coach of the sport must supervise any conditioning activities. When outside weather is inclement, inside running for the sport in season is allowed. Any problems with cleaning personnel forfeits authorization for use of corridors.

### **MEDICAL EXAMS**

Every year each student-athlete must have a certificate of medical examination signed by a licensed physician or osteopathic physician or a chiropractor licensed by his state association to give physical examinations. The exam is good for 13 months. You are encouraged to get a medical exam during the months of June or July or when offered by the school.

### **NON-SCHOOL TEAM PARTICIPATION**

A student participating in a sport sponsored by the school may not participate in the same sport with an outside of school team while he/she is a member of the school team without written permission of the school administration.

### **PRACTICE SCHEDULES**

The athletic director or moderators will arrange practice schedules according to the school calendar. In the event that school is dismissed due to dangerous road conditions during the school day, practices and activities will be canceled for that day.

\*Exceptions can be made by the Athletic Director in consultation with the Principal.

Parents are further notified that if the road conditions in their area are questionable, or if they feel that the situation warrants keeping their children home, practices will not be considered mandatory. Students who

miss practice under these conditions will not be penalized for their absence. Parents and students must inform the coach or moderator of the activity in the event that these conditions exist.

### **SPORTSMANSHIP**

Beckman Catholic High School takes tremendous pride in its reputation as a Catholic school. It is the expectation that all fans conduct themselves in a manner that exhibits respect for all players, coaches, referees, and opponents. Students are not to lead cheers that interfere with the organized cheers of the cheerleaders of either team. Conference rules state that fans cannot sit in the front row of the bleachers during basketball games. Students are not to be on the game floor of the gym after a game for any reason. Violators of this policy may be suspended from attending events. Students are expected to cheer for our athletes not against the opposing teams.

### **SUNDAY/WEDNESDAY/HOLY WEEK ACTIVITIES**

Sunday activities are to be limited to those that cannot be held during the week. If an exception is requested, it must be approved by the administration. Approval will be limited to a starting time of 12:00 noon.

Wednesday nights during the school year are reserved for family night. There will be limited student activities at Beckman on Wednesday nights after 6:30 p.m. with the month of May being an exception. If an exception is requested, it must be approved by the administration.

During Holy Week, practices and activities may not interfere with Church services. This means that practices and activities must be completed before 7:00 p.m. on Holy Thursday. No practices or activities may be held on Good Friday, and practices and activities must be completed before sundown on Holy Saturday.

## **HEALTH/SAFETY ISSUES**

### **FIRE/TORNADO/SAFETY DRILLS**

Two fire and two tornado drills will be conducted each semester. One lockdown drill will be conducted each year. Instructions for fire, tornado, and safety procedures are posted in each classroom.

### **HEALTH SERVICES**

Whenever a child is ill, he/she should be kept home for his/her own well-being and for that of the class members. Since a sick student will never be sent home without permission, it is imperative that we have the name and telephone number of an alternative person in case the parent/guardian cannot be reached.

A health department permit to re-enter school is required for all children who have been absent because of a communicable disease.

Iowa Law requires that an immunization card be completed upon enrollment and is to be kept updated. This will be on file in the nurse's office. Students not complying will not be allowed to register.

The school has the services of a school nurse. Parents/guardians are asked to leave home, work, and emergency phone numbers with the school. Should these numbers change during the year, we ask you to keep us informed.

#### **HELP FOR VICTIMS OF SEXUAL ABUSE**

The Roman Catholic Archdiocese of Dubuque wishes to make more widely known its program for assistance to people who were/are childhood victims of sexual abuse by clergy or other Church personnel. The program provides the services of a Victim Assistance Coordinator and was established in response to the archdiocese's "Policy for the Protection of Minors." The program is staffed by Victim Assistance Coordinator (VAC) Dr. Stephen Frommelt. Dr. Frommelt possesses a doctorate degree and has received training in matters related to sexual abuse and intervention with victims of abuse. He also has pastoral experience. Dr. Frommelt is not an employee of the archdiocese but is under contract to the Archdiocese of Dubuque to provide his services. The function of a VAC is to provide a pastoral presence to victims and their families. A VAC receives allegations of abuse, makes reports to civil authorities, and facilitates assistance for the victim. The services provided by a VAC may also include referral for professional mental health services, referral to social service agencies or support groups, and/or referral for spiritual care. The focus of the program is the emotional and spiritual well-being and healing of those affected by the sexual misconduct of clergy and other personnel of the archdiocese.

Allegations of current and past abuse can be made by calling Dr. Stephen Frommelt at 563-584-3000. Allegations of abuse can also be made to civil authorities, or the Iowa Child Abuse Reporting line (800-362-2178) or the Archdiocese of Dubuque at 800-876-3546. More information is also available at: <https://dbqarch.org/protection-of-children>

#### **PRESCRIBED MEDICATION**

Only prescribed medications are to be taken in school. Students who need prescribed medication during the school day are to notify the school nurse and provide authorization in the form of a medication slip signed by the parent and the physician. This includes over-the-counter medication. Any medication prescribed by a physician will be administered. A form authorizing the administration of prescribed medication is available in the nurse's office.

#### **SAFETY/HEALTH**

In compliance with the Code of Iowa, Chapter 455E and Archdiocesan policies 4116.13, 5142.2 and 7111.3, it is the policy of the Beckman Board of Education to insure that Beckman Catholic High School is in compliance with the Iowa Hazardous Chemicals Right to Know Act which entitles the employee, community, and Public Safety/Emergency Response the right to know if, what and where hazardous chemicals are stored in the school plant.

In addition, records must be kept on file regarding the testing done for asbestos, lead, and radon with a copy of such records available in the school office.

### **STUDENT SAFETY**

In compliance with Iowa Senate File 2364, the Beckman Catholic Board of Education adopted an updated student safety plan in June of 2019. The plan was developed in consultation with local emergency management officials and addresses a wide range of potential threats to student safety. Beckman Catholic annually conducts drills to prepare for events such as active shooters, fire, tornado, and bus evacuations.

Beckman Catholic strives to be a safe environment for students, staff, and all who enter our building. Any student, parent, staff, or others that are aware of any threat to the safety of students or personnel on school property or at school events are encouraged to contact a school staff member via phone or email. The staff member contacted will consult with the administrative team to determine what further action will be taken based on the information provided.

### **FINANCIAL ASSISTANCE FUND**

A financial assistance fund has been established to help defray the cost of a Catholic education. The fund is intended for those who would otherwise find it difficult to send their students to Beckman. The amount

of money in the fund is totally dependent upon donations. If anyone would like to donate toward the fund it is greatly appreciated.

All applications for tuition assistance, local and otherwise, must be completed through the Student Tuition Organization, or STO, in the spring for the upcoming school year. Applications are reviewed by an outside impartial agency and grants are given dependent on the number of applications and the amount available in the fund. Appeals for additional assistance will be reviewed.

### **LOCKERS**

All students will be assigned a locker. Lockers are to be used only by the student(s) to whom they have been assigned. Students are to visit their lockers during class change time only and not while classes are in session. Abuse of lockers makes the student subject to loss of locker privileges. Beckman strongly recommends that lockers be padlocked. Any locks not purchased through the bookstore will be removed. The school does not guarantee the protection of materials left in the locker; materials and equipment taken from an unlocked locker are the responsibility of the student. **THEREFORE, STUDENTS ARE ENCOURAGED NOT TO LEAVE ITEMS OF VALUE IN THEIR LOCKERS.**

### **LOST AND FOUND**

All students are responsible for their personal belongings. Found items will be placed in the box near the Main Office. Students should not leave anything of value in their lockers.

### **LUNCH**

Students must deposit money in their lunch accounts that will be debited through their student IDs when they eat.

### **TEXTBOOK PROCEDURES**

Textbooks used by Beckman Catholic students are supplied either by the Western Dubuque School District or by Beckman Catholic according to the following rules:

1. When students are assigned a textbook, they accept the responsibility for proper use and return of the assigned textbook.

An \$100 Graduation Fee is assessed each senior. This covers the cap, gown, diploma and other expenses.

Dual credit courses and Driver's Education will carry additional fees.

**REFUND POLICY:** Refund will be made to students withdrawing based upon the formula of 1/180 of tuition, exclusive of fees, for each day school was in session only if their account shows a credit balance at the time of official withdrawal. Seniors graduating at semester will be assessed a full year's tuition.

### **VOLUNTEERS**
